Greetings:

I wish for each of you during this year of 1933 your share of Happiness and Prosperity. If it is true that we get out of a thing just what we put into it, then let us put our Best, at our Best, into this New Year. Then, we may reasonably expect the "Well done, thou good and faithful Servant".

5. Visit of Professor Mabel Carney, Columbia University, New York
6. Prairie View, 14; Tuskegee, 0; December 30, 1932, Houston, Texas

For the satisfactory showing of our Football Team, I wish to thank heartily Dr. Evans, Coach Taylor and staff, members of the Panther Squad, students, employees and friends, for their fine spirit and efforts of co-operation.

Lawns:

We are going to ask all of those who live in cottages in our school community to join in the movement for having well kept and beautiful lawns. Let us all join Mr. Potts in making our surroundings look like a park.
